

Your **Dr. Asma Clinic** System Is Live

Delivered July 7, 2026 — everything below is yours to keep,
use, and grow with.

WHAT'S INCLUDED

Your Complete Automation System

- ✓ **Patient Portal (PWA)** — online booking, test result access, installable as an app
- ✓ **Doctor Dashboard** — patient registry, today's schedule, test approvals, follow-up queue
- ✓ **Automated reminders** — 24-hour and 1-hour appointment reminders sent automatically
- ✓ **Post-visit follow-ups** — automatic check-in messages after every visit
- ✓ **Secure data storage** — your patient records live in your own Google Sheets, not on any third-party server

YOUR ACCESS

STAFF ONLY — KEEP PRIVATE

Doctor Dashboard

https://script.google.com/macros/s/AKfycbzkMBKWDavE2ZKllsufc_N5Kwi6X-eow-Erz9lj9fgOjTuZPeRdkLFRjlOaqYZyT25Q1g/exec?page=dashboard

Login: (অপনার সেট কর **username**) | Password: (অপনার সেট কর **password**)

Please change your password after first login and do not share this link publicly.

GETTING STARTED

Install It Like a Real App

- 1 **Android:** open the link in Chrome → tap the ☰ menu → "Add to Home screen"
- 2 **iPhone:** open the link in Safari → tap the Share icon → "Add to Home Screen"
- 3 An app icon appears on the home screen. No App Store, no download, no update needed — it always shows the latest version.

ONGOING SUPPORT

What Your Monthly Retainer Covers

Your €10,000/month retainer includes system monitoring, bug fixes, minor feature updates, and priority WhatsApp support.
